

THE
GREENHOUSE

THE GREENHOUSE

WHERE CAN YOU BUY IT ?

On the website
<https://www.alissoncalderon64.wixsite.com/thegreenhouse>

THIS PRODUCT IS FOR YOU !

 Fresh aromatic plants
You want to eat fresh products
like in the best restaurant

 Homemade
You want to garden your
own aromatic plants

 Time
You have no time for gardenning
and your are too busy to maintain
a garden

 Space
You live in a flat or in a small
house and you don't have space
for a garden but you have a balcony

THE CONCEPT : You can put the GreenHouse on your balcony or on your window
You can even remove the stand and put it on the ground on your balcony as long as
the area is sunny.

You only need to buy seeds and plant them. The GreenHouse is responsible for
creating the right atmosphere for the growth of your plants. Take a look at the
water level from time to time especially if the period is not rainy.

WHAT KIND OF PLANTS CAN I CULTIVATE ?

PLANTS	RAPID GROWTH	MONTH OF SEED	HARVEST
Basil	✓	April	July
Dill	✓✓	April	June
Garlic	✓✓✓	March	April
Oregano	✓✓	March	May
Parsley	✓✓✓	February	All the year
Thyme	✓	March	January

This list is not exhaustive you can also cultivate
lettuce, rosemary, celery, cucumber, green onion,
capsicum, spinach and salvia

Let your creativity speak !

WHY CHOOSE THE GREENHOUSE ?

- * Follow the
eco friendly trend
- * Fresh food
- * Fast growth
- * Semi Automatic House
- * Cheap food
- * At home
